MODBURY SOCCER CLUB 2020 Sponsorship

MODBURY SOCCER CLUB INC

Smith Partners Stadium
75 Golden Grove Rd, Ridgehaven

SUCCESS BREEDS SUCCESS

2019 was arguably one of the most successful in the Modbury Soccer Club's history.

Our senior men's team was crowned Premiers of Football South Australia's State League 1 competition and won automatic promotion to the National Premier League in 2020. After clinching grand final victories, our Reserves and U18s were both Champions.

The Senior Women were promoted to Women's Community Division 1 in 2020, and our Amateur Men, in their first season, won the SAASL Division 4 competition and promotion to Division 3.

In 2019, we fielded a record number of junior players, including boys and girls in all age groups.

A BOUTIQUE SPORTING FACILITY IN THE NORTHEAST

"Installation of the synthetic pitch will mean that the Ridgehaven-based club will be able to cope with an ever-growing demand for membership, plus will encourage a higher standard of competition.

"The much needed dry synthetic pitch will be able to be used for about 90 hours a week - well up on the 15 hours a week the existing turf pitch is able to cope with.

"The new pitch will open up the opportunity for other clubs to hire..."

- City of Tea Tree Gully, August 2016

ABOUT US

Modbury Soccer Club has a proud footballing history dating back to 1964.

Modbury is a not-for-profit community sporting club affiliated with FIFA through its membership of the Football South Australia and the national peak body, Football Federation Australia.

Modbury Soccer Club has evolved from it's original "working men's" foundation to become a club that develops talented football players in Adelaide's north-east. At the same time, we encourage children, youth and adults to adopt a healthier lifestyle and higher physical activity by participating in an affordable sporting program.

We are arguably the most high profile club representing the City of Tea Tree Gully in sporting competitions and codes. In 2020, Modbury Soccer Club's senior sides will compete in Football South Australia's top-tier National Premier League competition. We have assembled a team that will be competitive at this level, and we aim to consolidate our position in the top flight.

We will field a record number of junior boys and girls teams in 2020. We are confident that we have a production line of talented young players that will go on to represent our senior sides. Some may even emulate former Jets juniors Brandon Borello (SC Freiburg), Jacob Melling (Central Coast Mariners) and Ryan Strain (Adelaide United) as professional footballers.

In 2020 we will continue to build on our successful women's football program. We will again field amateur teams in the South Australian Amateur Soccer League.

BE PART OF OUR FUTURE

We are proud to count Smith Partners Real Estate as our major sponsor and ground naming rights partner in 2020.

Smith Partners Real Estate joins our commercial partners, South Australian icon Coopers and Adelaide United shirt sponsor Macron, and recognisable brands like Aussie and the Cheesecake Shop as significant contributors to the Modbury Soccer Club.

We are now seeking to attract additional high-quality sponsors to join these brands as part of an exciting opportunity in 2020.

Through mutual respect, we seek to build a sound and long-lasting relationship with sponsors that deliver real benefits to all parties.

We invite you to join our existing partners and become part of the Modbury family in 2020.
